AMENDMENT UNDER 37 C.F.R. §1.312

The applicants appreciate the Examiner's allowance of the subject patent application.

This amendment is submitted under 37 C.F.R. §1.312. This amendment embodies only a change in the Examiner's proposed amendment to the Title.

In the Notice of Allowability mailed November 20, 2007, the Examiner suggested the following Title: -- Method and System for characterizing relationships in social networks based on purpose of messages communicated during participants --

In Response to the Examiner's suggestion, the applicants request that the Title be amended to read: -- Method and System for Characterizing Relationships in Social Networks--
